

Knowledge Commercialisation Australasia – Organisational Administration Services

Terms of Reference

[Knowledge Commercialisation Australasia](#) (KCA) is the non-profit, peak body, fostering best practice in industry engagement, technology transfer and entrepreneurship for research organisations.

KCA primarily operates as an elected volunteer board and network of professionals, providing influential advocacy, accredited training, sector awards, sector surveys, information and networking events to support its members and technology transfer professionals in Australia and New Zealand.

Scope

KCA is seeking the services of a motivated and proactive administration support organisation, to assist the association in running its day to day operations, working closely with the KCA Executive.

Location: Remote

Administrative Services:

- Website management (events and news), emails and support;
- Membership - manage and maintain renewals and database;
- Supporting events (network and special interest group), meetings and training, including venue arrangements, marketing and event support;
- General office administration, communication, business systems and support;
- Coordinate meetings, forums, communication, newsletters, surveys and online marketing;
- Governance support, preparation of documents and information; and
- Bookkeeping support, including Monthly Reconciliations and Reports.

Estimates workload, 1-2 days per week, which will fluctuate depending on activities. Timely responses will be an important part of the service.

Desirable:

- Company with a track record of providing administrative support for organisations or associations.
- Preferably have some experience and understanding of the [Membes](#) membership system or similar.
- Ability to also provide marketing communications support.

Deadline for submissions and further information
